

*We have missed you so much and according to social media, your hair misses us too!!!*

Before we see you, we have strict guidelines to adhere to. For everyone's safety & protection, we are taking all appropriate measures to ensure that CDC requirements are met.

- Text us when you have arrived but please stay in your car and wait to be invited up.
- Be prepared to answer a few questions and have your temperature taken.
- Your appointment is only for you. Please no family/friends/children accompanying you. They will be asked to leave.
- Please stay home if you are ill or showing symptoms. Any guest with a temp above 99 will not be permitted to receive services. (We will take your temp twice since it has been hot and humid.)
- A facemask will be required upon entry. We will both be wearing it throughout your entire appt. If possible, wear one that loops around the ears. We have limited handsewn masks available for \$3 ea and proceeds will be divided between NAWS & K-9 for Veterans.
- Limit personal belongings to keys, cellphones, & forms of payment.
- All services by appointment only.
- No blow drying will be available throughout June. This will be reviewed again in July.
- No child appointments throughout June. This will be reviewed in July.
- No outside food or beverages will be allowed into the salon. If you're coming for a lengthy appointment, a sealed beverage is ok, but you must take it with you as you leave. We will also not be serving beverages.

**Thank you again for helping keep you and us safe.  
Welcome Back!!!**
